ALL THE FOREIGN EMPLOYEES ARE CURRENTLY RETURNING TO THEIR COUNTRIES, SO WE'RE SHORT ON HANDS

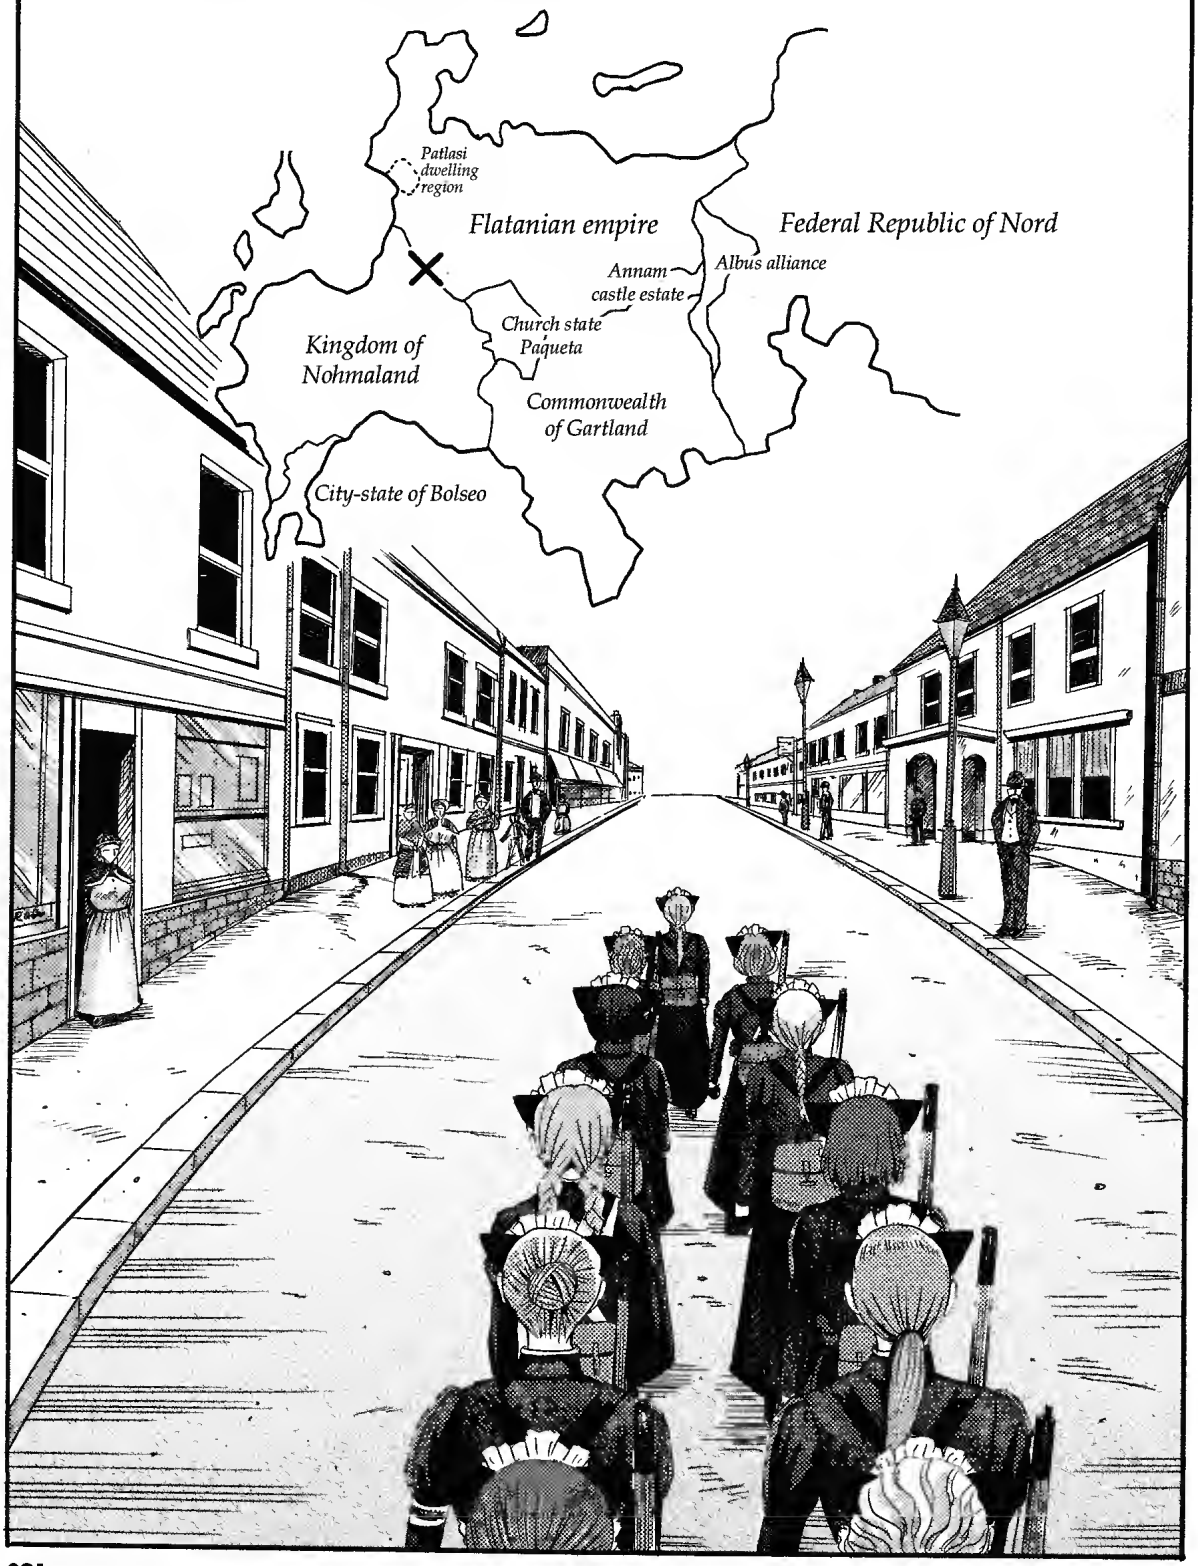
August 1893, church calendar. The kingdom of *Nohmaland* declared war on the *Flatanian* empire and invaded their territory under the pretext of atrocities against *Patlasi* within the empire

In order to support the regular troops, the empire sent the *'armed service'*, an armed maid group tasked with guarding the castle inside, to the front lines.

The war against the kingdom still continues.



-The age of chaos.

The admirable battle of these girls begins.

ATTENTION TO THE READER

In a world of compromises, some people put watermarks on their pages.

But it doesn't matter, because our translations are the fastest ones out there. Look at how cool our translator is... if you send us money you will be that cool of an operator too. And chicks will dig you.

At /ak/, we stuck some translated text on a manga page, just like a bunch of other scanlating groups have done. However ours is better, because we refuse to post it to any other sites than [redacted] http://ak-scans.wikia.com and [redacted] /a. Because:

Our wiki is the greatest wiki ever made. It may be unorganized and have limited content, but that's your fault. If you were a real operator you would love it. once again look at our translator, that sig sure is cool isn't it?

Yeah, you know you want to send money to us.

And by the way, check out our new website. We decided that humans don't need to quickly read manga by webpages. If you were a really manly teutonic operator, you wouldn't be bother by downloads, plus we've tested the server to be able to take 100,000,000 requests at one time, and that was when the server was buried in a lake of molten lava, on the moon. If you don't believe us, it is because you aren't a real operator.

By the way, our cheap, mass-scanned manga are the best thing ever, and totally worth giving us lots of money, but not that cheap, mass-scanned, manga from other people, thats garbage. not that it matters because you're not in our threads, so you will have to wait for your translations. Because you suck, and we hate you, but we know you'll be back. We can beat you down like a trailer park wife, but you'll come back, you always do.

Give us money.

Sincerely,

/ak/ Marketing Department
